Notice to Mariners 002.2018

Dated 11.01.2018

## **South Forty Foot Pontoons**

Mariners are advised that the Environment Agency Pontoons at South Forty Foot will be taken out of service and temporarily moved to the Port of Boston Quayside on Friday 12<sup>th</sup> January 2018. It is expected that they will remain out of service for up to 4 weeks to allow dredging to take place at the original pontoon site.

Under no circumstances should vessels attempt to moor on the pontoons whilst they are in their temporary location.

A further Notice will be issued when the pontoons are ready to be returned.
