NOTICE TO MARINERS 023/2022

Dawsmere Pumping Station Works

Mariners are advised that of works due to commence on Friday 22nd April 2022 and estimated to complete on Friday 8th July 2022 at the Dawsmere Pumping Station.

Refurbishment works are being undertaken to the inlet and outfall to maintain the asset in a serviceable condition for water level management and flood protection. The works at the Pumping station will principally comprise reinforcement of the existing steel sheet piled walls, repairs to concrete elements and replacement of the existing tidal flap valve.

These works should not adversely affect mariners.

Attached to this notice are location and arrangement plans of the pumping station.

Notice will self-cancel on completion.
