NOTICE TO MARINERS 039/2023

Diving Works – Black Sluice Outfall/Lock

Mariners are advised that from today 22nd November until Friday 24th November 2023 divers will be carrying out works which involves Cleaning and preparaton of stop log channels at the tidal side of black sluice lock. All works will be carried out within the confines of the Black Slucie structure.

The works are expected to take place during the hours 0800-1800 and a dive safety boat will be waterborne.

Mariners are asked to navigate with caution and pass at a safe distance and at slow speed.

Please see attached aerial photo of the survey areas.

This Notice will self-cancel on completion of the diving.
