NOTICE TO MARINERS 029/2025

Race Bank Offshore Windfarm Export Cable Survey

Effective Dates: Friday 19th September 2025 to Thursday 25th September 2025 (weather dependent)

Mariners are hereby advised that GEOxyz Limited will be undertaking a geophysical survey along the Race Bank offshore windfarm export cable routes between Friday 19th September 2025 and Thursday 25th September 2025, subject to weather and operational conditions.

Survey activities will be conducted from the survey vessel **GEOSURVEYOR XI**

12-hour operations will be carried out throughout the survey period and Mariners are advised to give the vessel a wide berth.

See attached below GEO4D Notice to Mariners for more details.

NOTICE TO MARINERS

Notice of Planned Survey Operations – GEOSURVEYOR XI

Effective Dates: Friday 19th September 2025 to Thursday 25th September 2025 (weather dependent)

Mariners are hereby advised that GEOxyz Limited will be undertaking a geophysical survey along the Race Bank offshore windfarm export cable routes between **Friday 19th September 2025 and Thursday 25th September 2025**, subject to weather and operational conditions.

Survey activities will be conducted from the survey vessel **GEOSURVEYOR XI**.

12-hour operations will be carried out throughout the survey period.

Figure 1 shows an image of the survey vessel.

Figure 1: The survey vessel GEOSURVEYOR XI.

Please be advised that *GEOSURVEYOR XI* will be restricted in her ability to manoeuvre while survey equipment is deployed. All vessels are requested to maintain a safe passing distance and proceed at reduced speed when in the vicinity of the survey vessel to minimise wake and ensure the safety of operations.

GEOSURVEYOR XI will maintain a continuous listening watch on **VHF Channel 16** and will respond to calling vessels as required.

For further information or coordination, please contact the vessel directly on VHF Channel 16. Alternatively, the project manager can be reached through the contact details below:

- Email: Benoit.Stoquart@geoxyz.eu
- Tel: +32 (0) 470 612 678

Table 1 details relevant information on the vessel.
