NOTICE TO MARINERS 007/2020

Swing Bridge Rail Repairs

Mariners are advised repair works are to be carried out on rail tracks adjacent to the Swing Bridge.

The repairs will take place from 0700 Thursday 6th February to 1200 Monday 10th February

To facilitate the repairs plant and equipment are required to be ferried across the Swing Bridge from the Port to the London Road side and this will necessitate the bridge to be closed to river traffic for significant periods each day.

It is recommended any mariner wishing to transit the Swing Bridge should call the Port in advance and to arrange for the Bridge to be opened.

Tel. 01205 365571 to speak to either the Transport Dept or Port Security (out of office hours)

This Notice will self cancel on completion of the works.
