Dated 26.04.2019

Guard Vessel “Beyond Zero” May Bank Holiday

Mariners are advised information received from local leisure craft users indicates there is likely to be increased leisure craft useage of the Barrier Bypass Channel during the May Bank Holiday weekend.

It is intended to increase the provision of the guard vessel “Beyond Zero” in the vicinity of the barrier between Saturday 4th May and Monday 6th May.

The “Beyond Zero” will be on duty between the above dates from 2 hours before High Water to 2 ½ hours after.

“Beyond Zero” will be monitoring VHF Channel 12 when on duty and this should be used by any passing craft wishing to make contact.

This Notice is self-cancelling after the May Bank Holiday weekend
