NOTICE TO MARINERS 31/2021

Lincs and Racebank Windfarm Cable Route Survey

Mariners are advised that marine survey operations will take place along the length of the Lincs and Racebank windfarm cable routes. The vessel will also be surveying in the vicinity of the substation platforms (OSP) of both windfarms and the inter connector between both OSP's on the race bank windfarm.

Surveys are expected to take place from the end of June and into July for a period of two weeks weather permitting by the survey vessel 'Morven'.

Towing equipment up to 100m may be towed behind the morven during operations. A wide berth is requested at all times and the vessel will be restricted in her ability to manouvre.

All vessels will monitor VHF Channel 16 at all times

This notice will self cancel after the completion of works
