Notice to Mariners 033.2018

Dated 24.5.2018

Fishing Vessel Relocation

Mariners are advised that from the 25th May the riverside quays from Frontier silo to just downriver of Geest Point will become a designated fishing vessel berth. Fishing vessels may commence moving from their current berths on the 25th May and will have use of the quay for approximately 13 months.

These berths will be for sole use of BDFA vessels only.
