NOTICE TO MARINERS 034/2019

Emergency Landing Facility – South Bank

Mariners are advised works will be undertaken in the near future to construct an Emergency Landing Facility (ELF) on the river facing side of pilings on the South side of the river downstream of the Barrier site.

During the construction there will be equipment and construction materials extending up to approximately 2 metres away from the piling front.

In addition there will be a crane working over the site and that work will include personnel being transferred by manbasket.

The works are expected to be completed in 3 to 4 weeks.

Mariners are requested to maintain a safe distance from the site.

This Notice will self cancel on completion of the works.
