

Notice to Mariners 041.2018

Dated 27.06.2018

Yellow Buoys – Changes and Removals

Mariners are advised the 3 strings of yellow buoys described in Local Notice 040.2018 have now been reduced to a single string indicating the site of the former Witham Wharf.

It is further intended to remove this single string of buoys following the installation of marker poles showing 2 Fixed Red (vertical) lights located at each end of the former wharf.

This Notice replaces, and cancels notice 040.2018 and remains in force until the marker poles have been removed.
