NOTICE TO MARINERS 063/2018

South Bank Land Based Dredging

Mariners are advised that land based dredging will be commencing this week in the areas highlighted in the attached documents. These works will include the removal of Witham Wharf steel and concrete piles.

These operations will only be conducted during periods of low water and are expected to continue until 21st December 2018.

Mariners are requested to proceed with caution whilst these operations are being conducted.
