NOTICE TO MARINERS 068/2018

Guard Vessel Beyond Zero – Change in Duties

Mariners are advised that the Boston Barrier Project Guard Vessel Beyond Zero will no longer be carrying out Guard Vessel duties during high water periods which coincide with the night. Duties during the daytime remain unchanged.

Vessels which intend to pass through the bypass channel at night are required to announce their intention to pass through the channel on VHF Ch12 and confirm the proximity of other vessels before passing through.

If and when future changes in circumstances in close proximity to the Bypass channel require it, deployment of the Guard Vessel on both AM & PM tides will resume.

This Notice is self-cancelling
