

# PORT OF BOSTON

EST 1884

Notice to Mariners 028.2019

Dated 11.06.2019

## Swing Bridge

Mariners are advised that the swing bridge will be operated every Monday, Wednesday and Friday between the hours of 1500 to 1900.

The Port will endeavour to minimise disruption to river traffic by ensuring the bridge is in the open for navigation position for as long as possible within these hours.

The rail team monitor VHF 12 and will be able to provide information on request. In the event that contact cannot be made with the rail team on VHF 12, mariners should either call Port Control on Channel 12 or Port of Boston landline 01205 365571 and request to speak to Security, both departments will be able to pass on information and requests to the rail team.
