NOTICE TO MARINERS 032/2019

Barrier by-pass Channel - Scour Matting - Removal

As a result of a recent bathymetric survey, Mariners are advised that a section of scour matting will be removed from the Barrier Bypass Channel.

The removal will take place and be completed during the daytime low water period on Wednesday 3rd July. Lifting of the scour mats will be by crane, situated on the cofferdam (south) side of the bypass channel.
