NOTICE TO MARINERS 037/2019

Barrier Bypass Channel – Dawson Shutters

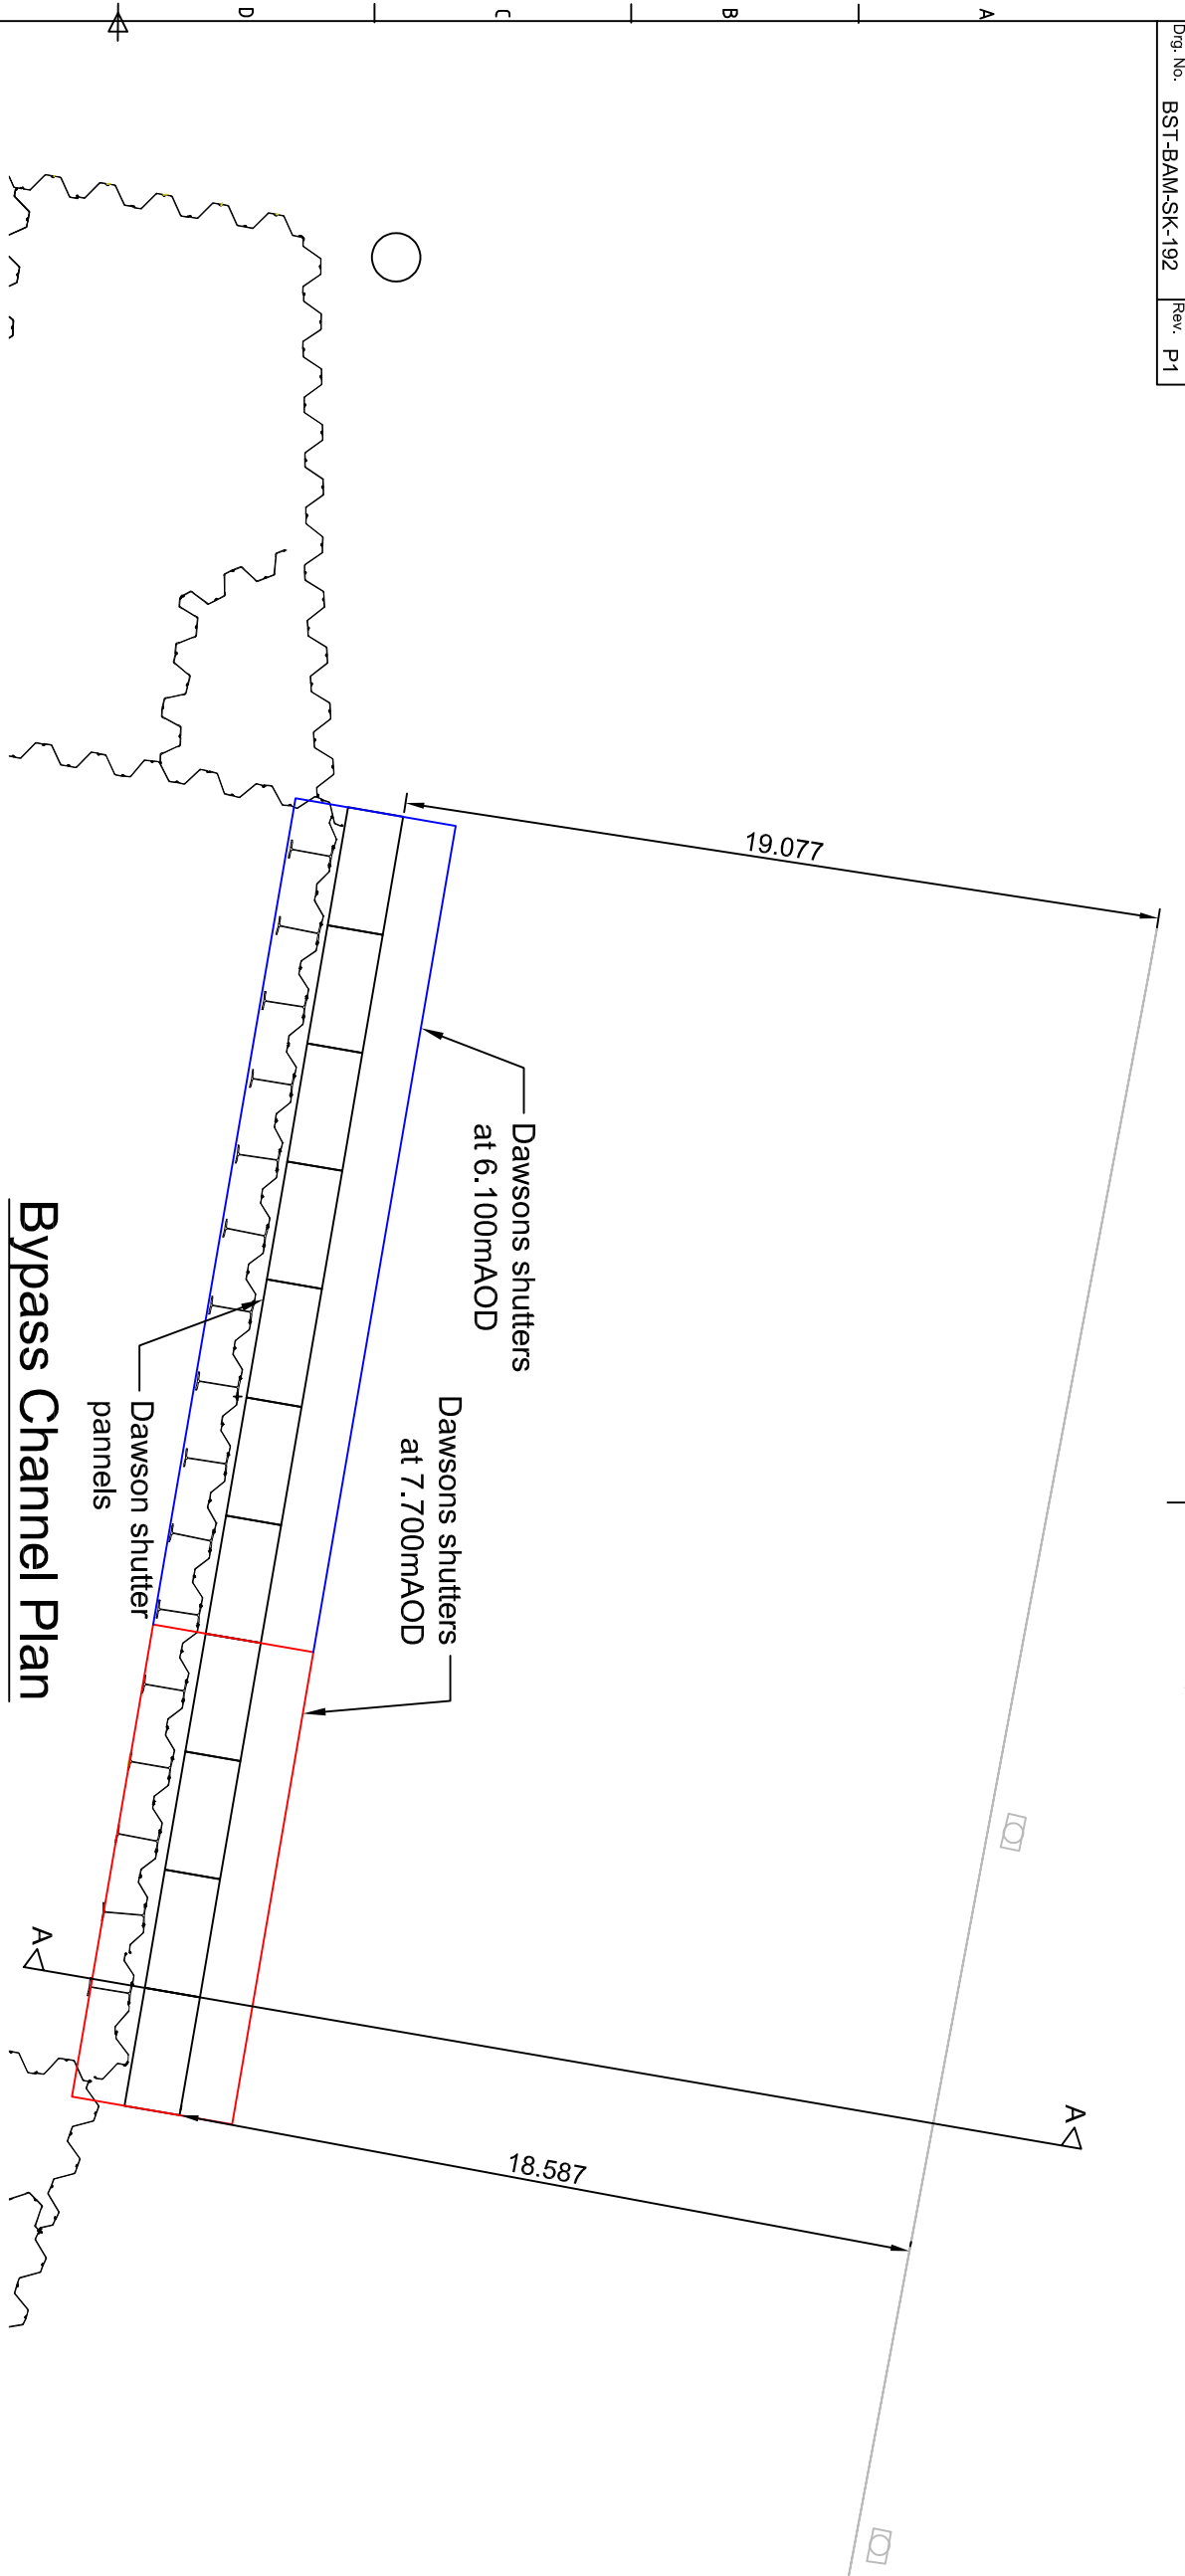

Mariners are advised that Dawson Shutters are to be temporarily installed on the bypass channel sheet piling and will provide a working platform for soffit installation. The shuttering will overhang approximately 1 meter over the waterside.

Attached below is a drawing showing the intended installation. Please note the shuttering will be installed at differing heights above the water level.

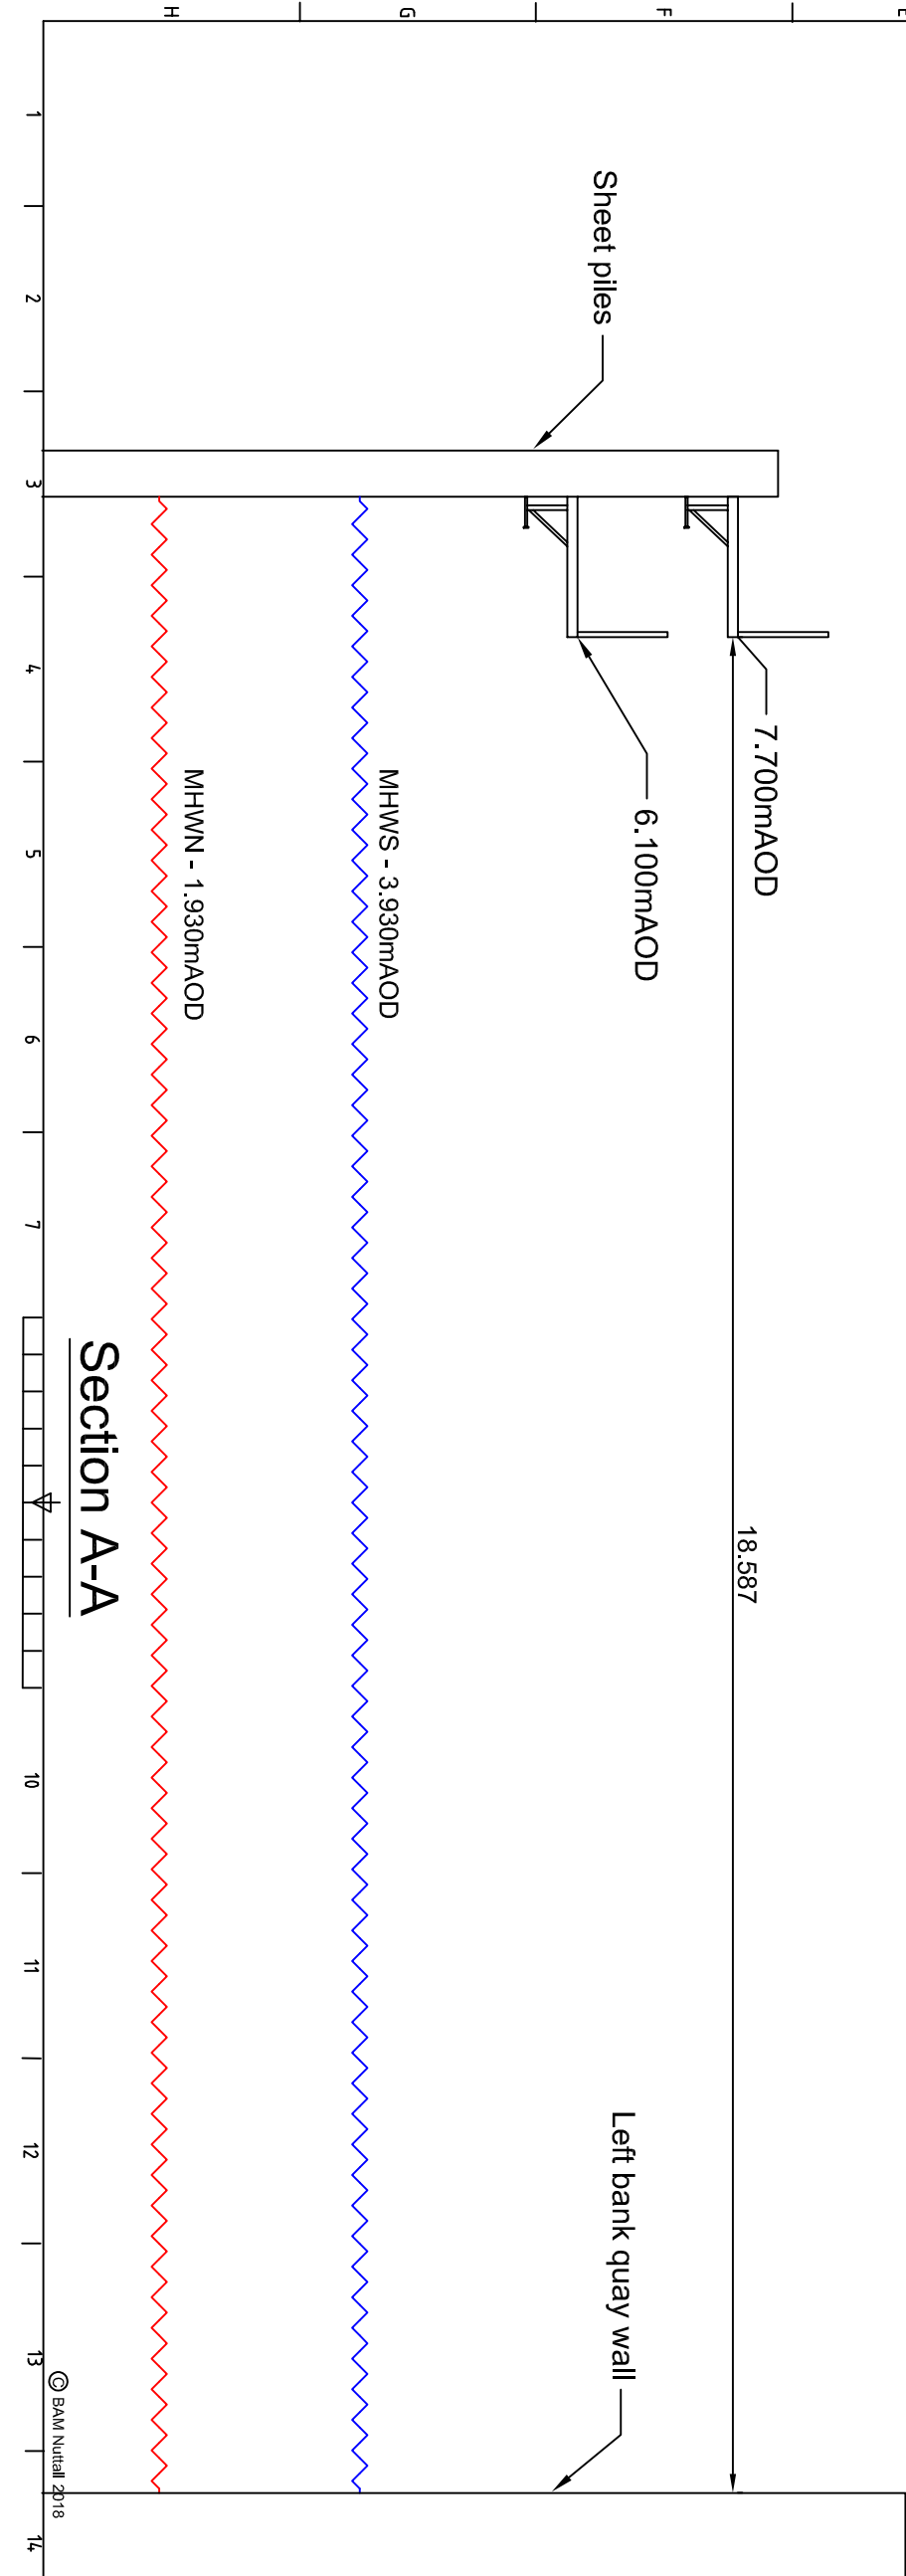

This notice will self-cancel upon their removal.
