NOTICE TO MARINERS 031/2020

Swinging Area - Dredging

Mariners are advised that on Monday 18th May, works to dredge the Ports "Swinging Area" are expected to commence. The Swinging Area is located on the South Bank of the Haven adjacent to the entrance to the Dock

All work will be done from land-based plant and therefore no marine craft will be involved. Temporary platforms are being built for the plant to operate from, but they will not extend into the river channel.

Works are expected to complete at the end of May. This notice self-cancels on completion of the works.
