NOTICE TO MARINERS 013/2026

Grand Sluice Works and

Mariners are advised upcoming works to Grand Sluice being carried out on behalf of the Environment Agency.

The works are expected to commence on or after 23rd March and will comprise of the re-establishment of the HAKI sscalfold stairways which were in place last summer. The below photos show the location and layout of the stairways.

There will be ongoing refurbishment works being carried out to the sluices throughout the summer months further details on this can be found [here](#).

At times during this a crane barge will be transiting through the navigation lock and be positioned on the tidal side of the sluices to assist in the works.

Mariners are requested to navigate with caution in the vicinity of the scaffold stairways and when the barge is present.

For any futher info on the barge/stairs please contact Jackson Civils Project Manager Lukasz Pieczonka LPieczonka@jackson-civils.co.uk
